2012 RULES & REGULATIONS / SAFETY OFFICER:

Each entry is required to name a Safety Officer on this application. The Safety Officer will be required to be at their unit in staging two (2) hours ahead of the start of the parade and remain with their unit until the last person has disembarked their vehicle/float in disbanding, and all participants are reunited with their transportation home. The Safety Officer must also wear a LIME-GREEN mesh safety vest at all times during the **Event**. The Safety Officer's responsibility is to uphold the rules and regulations of the **Event**, and ensure compliance by their organization.

The Safety Officer will be responsible for the following:

- 1) Ensuring the safety of their unit and participants, including providing four (4) orange vested Procession Safety Monitors, per city ordinance, for each and every wheeled or motorized vehicle. Safety Officer shall report any emergencies to uniformed City of Tampa Police and to their Parade Marshal/Block Captain.
- 2) Reporting any and all incidents to an **Event** Parade Marshal/Block Captain before leaving the **Event** site. Safety Officer is required to sign any and all incident reports involving their unit(s) or their participants before leaving the **Event** site.
- 3) Complying with the direction of the Parade Marshal/Block Captain, including maintaining the pace of the parade.
- 4) Understanding that the Parade by its nature is an **ENTERTAINMENT MEDIUM** and, therefore, the contribution of each unit to this concept is critical. Entries are approved by the Parade Committee based on "show value" to the overall Parade. The **Event** is **NOT A PLATFORM FOR POLITICAL, RELIGIOUS OR SOCIAL ISSUES**, and no unit will be permitted to participate in the Parade if, in the judgment of the Parade Committee, it reflects such issues.
- 5) Upholding the **Event** policy which **PROHIBITS ANY SPONSOR OR CORPORATE IDENTITY ASSOCIATED WITH INDIVIDUAL PARADE UNITS** without seeking permission in advance, in writing from EventFest, Inc. If unit is granted permission from EventFest, sponsor or corporate identity cannot exceed 18 inches in height due to FCC regulations.
- 6) Communicating the **NEW WEATHER CONTINGENCY/EMERGENCY PLAN** to each and every parade participant in their unit prior to **Event** day, so we can communicate this important new emergency procedure to not only each and every parade participant, but also to their corresponding transportation home from the **Event**. The new emergency plan states:

"If we experience an emergency that would necessitate the emergency cancellation of the parade, **ALL VEHICLES/FLOATS/UNITS WILL REMAIN AT THEIR POSITION IN THE STAGING AREA** - at the same location where they were dropped off. (Reference unit's position in staging on parade staging maps which are included in the Acceptance Parade Packet mailed out in November.) **ALL PARADE PARTICIPANTS MUST BE PICKED UP FROM STAGING**, where they were dropped off."

- 7) Managing and communicating with their unit's participants prior to the **Event** and throughout the **Event** day.
- 8) Educating and monitoring the safe distribution of their unit's beads or other giveaways (hand out to spectators OR underhand toss ONLY).
- 9) In an ongoing effort to provide the safest Gasparilla events for our participants and our attendees, we have included language that affects the type of beads/throws distributed at the Children's Gasparilla Parade and Children's Gasparilla Extravaganza. This language addresses the lead and phthalate content of items imported to the United States after February 2009, especially items designed for sale to children under twelve years of age. Phthalates are chemicals that are used in the production of soft plastics, and federal regulations prohibit the use of phthalates in products designed and manufactured for young children – especially when items might be placed in a child's mouth.

Most "throw" beads are manufactured from recycled plastics – and depending on what plastics are used in a particular recycling "batch", these recycled beads may or may not contain phthalates. The only way to ensure your "throw" beads are phthalate-free is to purchase Grade "A" and/or phthalate-free "throw" beads. (NOTE: Grade "A" plastic is not made from recycled material.)

Since the Children's Gasparilla Extravaganza / Children's Gasparilla Parade has many young children that participate and attend the event, our Children's Gasparilla Parade Application Rules and Regulations include the requirement that in addition to throws being lead-free, that throws also be Grade "A" and/or phthalate-free as defined in the Consumer Product Safety Improvement Act.

Similar to last year's lead-free letters, your 2012 Children's Gasparilla Parade Application will require applicants to submit two (2) Safety Compliance "Throw"* Letters. The first letter must be from the applicant organization on (original) letterhead, and the second from the company where the applicant organization purchased their "throws". Applicants and their "throw" vendor will be required to submit a letter to include language addressing their compliance with the Consumer Product Safety Improvement Act, which addresses lead and phthalate content of products imported to the United States beginning February 2009.

Acceptable sample language would include:

"All of our Organization's/Unit's Beads and/or Throws that will be distributed at the 2012 Children's Gasparilla Parade meet or exceed current federal, state and local standards and are compliant with the Consumer Product Safety Improvement Act. We are aware and acknowledge the lead-free and phthalate-free stipulations contained in the Consumer Product Safety Improvement Act, effective February 2009 and have explained the new criteria to all members of our Organization / Unit that will participate in the 2012 Children's Gasparilla Parade."

* "Throws" encompass any item in possession of applicant or that will be distributed to Parade participants/event guests by the applicant at the event (i.e. beads, toys, coins, etc.

- 10) Ensuring their unit upholds the **Event** policy which **PROHIBITS ALL PAPER MATERIALS (I.E. FLYERS, BOOKLETS, PAMPHLETS, BROCHURES, ETC.) FROM BEING DISTRIBUTED ALONG THE PARADE ROUTE.**
- 11) Ensuring their unit upholds and honors the **Event** policy which **BANS THE POSSESSION OF AND/OR CONSUMPTION OF ALCOHOL** at the Children's Gasparilla Extravaganza. Any unit found in violation of this policy may be suspended from participating in the Children's Gasparilla Parade, the Gasparilla Preschooler's Stroll, and/or the Gasparilla Parade of the Pirates for up to three (3) years.
- 12) Ensuring their unit upholds the **Event** policy which **PROHIBITS THE USE OR POSSESSION OF GLASS, STYROFOAM AND/OR CONFETTI** within the **Event** site.
- 13) Ensuring their unit upholds the **Event** policy which **PROHIBITS PROFANE OR INAPPROPRIATE MUSIC** at the **Event**. All music must be appropriate for children of all ages.
- 14) Ensuring, along with their unit's Safety Monitors, participants do not exit or board their float or vehicle while it is in motion, for the duration of the parade. (may load/unload in the staging/disbanding areas only, and only when vehicle is stationary)

I recognize that the Event, at its sole discretion, retains the right to remove my entire unit and/or specific unit participants from the parade line up at any time. I understand reasons for termination could include failure to comply with the rules and regulations of the Event as stated above, including unapproved unit sponsors, or failure to use appropriate judgment at this alcohol-free, child-centered community event.

IMPORTANT NOTES:

If your insurance policy is up for renewal AFTER the deadline of October 1, 2011, you must send a copy of the current certificate (as proof of insurance) with a letter stating when you expect to receive the new certificate. You must send the new certificate immediately upon renewal.

The certificate your unit submitted last year may still be valid thru 01/21/12. HOWEVER, you still must submit a new certificate referencing the January 21, 2012 Event and additional named insureds as stated above. Otherwise, your application will be INCOMPLETE.

There is always the possibility that a future incoming title/presenting sponsor of the Children's Gasparilla Extravaganza may require parade units to add their company as an additional insured for the 2012 Event. We will notify you as soon as possible via email if such a situation were to arise. In this case, your unit would be required to submit this additional certificate in order to participate regardless of prior acceptance.

Your insurance company can fax the Certificate of Insurance to EventFest at (813) 251-3376. PDF versions can be emailed to insurance@EventFest.com. Please also mail the original certificate to:

Attn: Children's Gasparilla Parade
1200 W. Cass Street, Suite 110
Tampa, FL 33606

If your insurance company has any questions regarding the above information, please have your insurance representative contact Ashley at EventFest, Inc. at (813) 251-3378.
